It should be it bth to pick it on your on. But if it was up to me then I would disagree. Because soon of us would like to get out of school at 3:00 so we can go to work. Then we will have soon time to hang out with our friends. But if you pick it and then we have to do it then that is ok. I will get more sleep, we will also all ways be sleeping diring school time.

the Board of Education needs to pick it on their on. But nothing will not conse. There will all ways be some people of will sleep at school time. yes we will get more time to sleep & some people will stay up longer if you make it 9:30am to 4:30pm. if it was up to us then most of us will say no. all of yall just ~~the~~ need to pick it on your own.

Score Point: 1

This response reflects fundamental deficiencies in persuasive writing skills. The writer seems to oppose changing the school schedule but never takes a clear position. There is very little development, and the information provided is often confusing and incoherent. In addition, the response contains serious errors in usage and mechanics.
